

TENNESSEE DIVISION OF FORESTRY HIRING!

HEMLOCK WOOLLY ADELGID
STRIKE TEAM

BACKGROUND

The hemlock woolly adelgid (HWA) is a non-native insect that has been killing thousands of hemlocks in TN. This team will spend 70% of their time chemically treating HWA; 25% of their time supporting TN's biological control programs; 5% of their time supporting the activities of the Tennessee Hemlock Conservation Partnership (THCP).

RESPONSIBILITIES

- Seasonal position: January through May.
- One crew boss (\$16/hour) and three crew member (\$13/hour) positions are available.
- Forestry/Conservation experience preferred; training provided on job.
- No benefits. Travel expenses with per diem are covered when applicable.
- State crew vehicle and gear provided.
- Supplies and gear are in Rockwood, TN
- Work on Cumberland Plateau and East TN.
- Work is in all weather conditions, rough terrain, and is physically intensive.

Accepting Resumes Until December 8, 2020.
